There was no meeting? You paid for something that doesnt' exist? I didn't agree to meet with you? You're lying again ang again?

You're obsessed with black people and pedophilia.

Get it together, Dylan -0 or Ben - or Dr. Talos - or who are you now? Debbie? Luke? Hereditarian Left? Dialectic Materialism?

Before you get your panties wet. Tell me: what was the meeting about? What did you pay for? I didn't advertise anything.

Is like the made up contracts?

You know it's disturbing how wild and crazy this si getting. Seriously, get a life.
