1. Carly is now at your obsession not mine. You can talk all you like she has nothing to do with my life.
2. Just because you say something as a thing doesn't make it a thing. I've not been paying you because I don't have a zelle account. I had no meetings for sale. You produce no evidence one way or the other. I think it's safe to say that this is nothing but lie and a gas light
3. Shut up go away I forgot to block you

Ugly tiktok boy go away. Shoo. Literally get a life
